

Curriculum Vitae of Shefali Chaturvedi

Shefali Chaturvedi heads the Social Development Initiatives of the Confederation of Indian Industry (CII).

The Confederation of Indian Industry (CII) is a non-government, not-for-profit, industry led and industry managed organisation, with over 6000 direct members, playing a proactive role in India's development process.

A key mandate of CII is to catalyse industry's involvement in India's social development agenda. As a part of this process, CII began its HIV/ AIDS prevention and care program in 1996 and workplace intervention programs were initiated by CII for its member companies shortly thereafter.

Taking this commitment further, CII supported the setting up of the Indian Business Trust for HIV/ AIDS (IBT), which has leading Indian business leaders at its helm and focuses on issues relating to HIV/ AIDS prevention & care, through business commitment and leadership.

As the Director of the IBT, Shefali has the responsibility of leading the initiative in its advocacy agenda, mobilizing and facilitating business leadership, conceptualizing, designing and implementing projects.

Shefali is a post graduate in English literature. She has been working with CII since 1991.
