

Curriculum Vitae of Dr. Balaji Utlia

About 22 years of experience spanning industry and academia in the areas of learning, organization development and strategy and corporate social responsibility.

Since July 2004

He is leading the Satyam Foundation, a not for profit foundation initiated by Satyam Computer Services Limited. The Foundation initiated various interventions spanning HIV/AIDS, Healthcare, Emergency Response System, Livelihoods, Education, Street-children, and Environment - focusing on the less fortunate people in urban areas.

He is responsible for creating one of the largest volunteering efforts in the corporate world in India.

For over a decade (1993-2004) he was associated with Satyam Computers. Some of his key achievements have been:

- During 2003-04 Dr. Balaji was the Head of Strategy and Organization Development during the period. He led the effort to bring a common language and culture and energize the associates of Satyam.
- Founder of the Satyam Learning Center (SLC) the corporate university of Satyam. The SLC is the one-stop-shop for all formal learning needs of the organization.
- Created and implemented an intervention to increase the leadership bandwidth within Satyam through a Leadership Development Process called the BLP (Business Leadership Process).

Further, he worked as associate professor in the Department of Business Management, Osmania University between 1984-1993.
